

Working Together: Breathing Easier

Improving Asthma Services for Children and Young People

Thursday 13 November 2008

09:30 – 15:45

Victoria Quay, Edinburgh

The programme will include:

- *national findings from the peer review of NHS Boards' performance against the asthma services for children and young people standards (incorporating clinical governance and risk management)*
- *guest speakers from national organisations on complementary pieces of work (Asthma UK, Long Term Conditions Collaborative and ISD)*
- *workshops focusing on key findings from the peer review visits*
- *poster presentations from NHS Boards and national organisations*

ePASS and CPD accreditation applied for
