LISTEN UP!

- 📶 Do you want to help make your school a better place for children and young people with asthma?
- 📶 Do you want to win a Kodak digital camera for you and your school?
- 📶 Do you want to visit Westminster?

If you said 'Yes' to any of the above then this is the competition for you!

Asthma UK is running a competition asking young people to raise awareness of asthma in their school to help create a safe and inclusive environment for children and young people with asthma. There are many different ways you can do this. You could **deliver an assembly, make a short film or design a poster.** The main thing is to be as creative and original as you can.

There are **1.1 million** children in the UK with asthma; that's an average of two in every classroom. The majority of children and young people with asthma should be able to take part in any sport, exercise or activity they enjoy, as long as their asthma is under control.

COMPETITION INFORMATION

- 1 One entry per secondary school only.
- 2 Submit your entry by describing in around 500 words how your school has raised awareness of asthma.
- 3 Asthma UK's Youth Forum will be choosing the runners up.
- 4 The runner up schools will be invited to a youth conference called 'Listen Up' in Westminster in the autumn to showcase their ideas and an overall winner will be chosen.
- 5 The conference is sponsored by Kodak so there will be some great prizes for the overall winners!
- 6 Closing date for entries is Friday 24 July 2009.
