

National Institute for Health and Clinical Excellence

Information for Applicants

We will inform all applicants of the status of their application. The provisional date for the selection committee is 11th June 2010, and we will aim to let applicants know by 25th June 2010 if they have been successful or not.

On appointment successful applicants must have completed:

- An Equalities monitoring form
- A Declarations of Interest form
- A Confidentiality form

Appointments will not be formally confirmed until all three documents have been satisfactorily completed.

If we are not going to meet these timeframes for any reason we will let you know.

All successful applicants will be informed of our decision via telephone call and letter of confirmation. All unsuccessful applicants will be informed via letter.

Answering your questions

For queries about your application or the subsequent decision, please email the Associate Director for the project, Tricia Younger at Tricia.Younger@nice.org.uk

We aim to process all applications as quickly as possible and to treat all applicants with courtesy. If you feel that you have any complaints about the way your application has been handled, we would like to hear from you.
